

DEMOLITION DERBY CONSTRUCTION for MOTORHOME DERBY

Please see Stateline Speedway general rules for all information regarding safety equipment and general track rules.

All motor homes must have a number painted on both sides. Number must be a contrasting color to the vehicle color. For example.... if your vehicle is white, use a dark color to paint the numbers on. If your vehicle is dark, paint the numbers with a light or neon color that can be easily seen from 100 yards away. The bigger and bolder the numbers the better.

Motor Homes - Must relocate fuel cell and battery. Must remove all glass.

Driver's side door iron. Must have fire extinguisher.

Motor homes cannot be full steel bodied. They must be Wood or Fiberglass. No box vans or moving vans or conversion vans, motor homes only.

BE SURE THAT BLACK AND GRAY WATER TANKS ARE EMPTIED COMPLETELY.

Upright bar optional, must have crossbar.

MUST EMPTY PROPANE TANK.

Motorhome must be completely gutted. No refrigerators or stoves!

ALL MOTORHOME FRAMES MUST BE PICKED UP AND REMOVED FROM STATELINE SPEEDWAY PROPERTY WITHIN 5 DAYS OF EVENT.
